4. New Business

- Safety tip of the month: Consider making noise in the gardens when working there to scare the animals away.
- Billy Penn offered temporary garden space #77 in the Far West Garden to Cherry Frye, a new member wanting a spot. Delores will notify Cherry of the available space.
- Today's meeting is the last meeting until September.
- Beginning in September, the Garden Club business meetings will be held on the second Tuesday of the month at 1:30pm in the Willow Ridge Community Room.
- Delores asked the members to consider volunteering to be Operations Manager of the new garden in neighborhood 3. The

garden will open early in 2027 but an Operations Manager is needed now to be included in meetings and plans. She pointed out that in the beginning this position will involve a lot of time to get the garden underway so the volunteer should take that into consideration.

- A meeting will be set up with General Services and the officers to discuss status of projects.

5. Other Business

- By-Laws Changes: Voting on proposed changes to the By-Laws that were presented last month and posted on the website.
- Three proposals were before the members:

There was discussion and a question-and-answer period before voting.
