Program: "Tons of Tomatoes"

Guest speaker and Dallas County Master Gardener, John Hunt, will present a timely PowerPoint program, teaching how to grow the best Texas tomatoes ever! Discover a wealth of new information from planting to harvesting tomatoes ... and take home his handy tip sheets.

John Hunt is a prominent Dallas County Master Gardener, Citizen Forester, and horticultural educator known for teaching, writing over 100 articles, and hosting garden-themed segments. Based in North Texas, he specializes in composting, organic gardening, and, as a "pressed leaf artist" creating botanical art. He frequently speaks on topics such as lawn care and, specifically, growing tomatoes in Texas!
